

# BELL AND CARLSON

## “CREATIVE EFFECTS”™

*Bell and Carlson is pleased to announce that we now have the ability to apply a variety of camouflage patterns to your existing firearms by using the same process that is being used by original equipment manufacturers on new guns sold today. You are no longer limited to only the finishes being offered on some of the new firearms!*

*Turn your old or new  
firearm from this . . .*

**TO THIS!**

- **Better Concealment!**
- **Increased Value!**
- **Reduced Maintenance!**

*For more information on "Creative Effects™" or our other fine shooting products, visit our website or call:*

**SHIPPING PROCEDURES:** Make sure the firearm is NOT loaded / Scopes, slings, etc. should be removed before shipping. Bell and Carlson will not be responsible for damage to the firearm, parts or accessories / The firearm should be shipped in a "hard-shell" (plastic or metal) gun case and wrapped carefully to prevent damage in shipping.

**WARRANTY:** All parts returned for warranty MUST be pre-approved by Bell and Carlson and MUST be accompanied with a Return Authorization number. Bell and Carlson will be responsible ONLY for defects in materials and workmanship relating to the supplied finish for one year. Bell and Carlson will not assume any responsibility for damage to the firearm, parts or accessories.
